

Minutes

Of The

Annual Meeting of the Logan River System and Representatives
of the State Engineer's Office.

The annual meeting between the Logan River Water Users
Association and the State Division of Water Rights was held in
the Oldham Memorial Building January 26th 1972 at 10 A.M.

The purpose of the meeting to hear Minutes of the last meeting.
To hear a Financial report from the Controllers Office.

To set up a budget and appoint a water commissioner for the year.

Donald Norseth from the State Engineers Office talked about
the water conditions in the State Logan River about 158% of normal,
but with no storage, flooding could be a problem.

Not enough money to do much on flood control.

Hubert Lambert State Engineer talked of house bill 79 on caring
for stream flow not yet advertised enough.

Mr. Lambert said he was glad to be with us again.
To give area engineer Dee Hanson all the help we can as water rights
are getting harder to handle.

The minutes of 1971 meeting were read by Lyman Johnson
A motion by Alfred Gnehm that they be approved was passed by all
present.

Donald Norseth read the financial report what the money was
spent for 1971 approved by all present.
